

## **GENERAL ASSEMBLY OF THE WORLD FEDERATION OF OZONE THERAPY (WFOT)**

On August 30, 2024, at 7:00 p.m., in the meeting room of the Hilton São Paulo Morumbi, located at Av. das Nações Unidas, 12.901, Brooklin Novo, São Paulo, Brazil, the Extraordinary General Assembly of the World Federation of Ozone Therapy (WFOT) was held, in accordance with the constitutive statute, with the presence of effective members of the WFOT who participated in person in the 8th World Federation of Ozone Therapy Meeting. The Assembly was opened by the president, Dr. Antônio Teixeira, who thanked everyone for their presence and then proceeded to read the previously defined agenda, which included amendments to the statute and the election of the new board of directors.

The amendments to the statute are as follows:

- 1) provision for online meetings, adding the following text to article 9 “Whenever necessary, at the discretion of the presidency, meetings and general assemblies of the federation may be held online.”
- 2) Set the end of the current board's term of office for December 31, 2024, adding the following provision to Article 7: “The term of office of the elected directors, currently two years, shall begin on January 1 after the election, and shall end two years later on December 31.”
- 3) creation of a permanent Veterinary and a Dentistry committee, adding the following texts to article 11: “Veterinary Committee” and “Dentistry Committee”.

Two candidates for president were presented, Dr. Matteo Bonetti and Dr. Lale Yeprem. Both candidates presented their proposals and the vote was held in accordance with the bylaws.

The amendments to the bylaws presented by president Dr. Antonio Teixeira were approved unanimously by those present.

The following members were elected by the majority of those present with the right to vote in accordance with the rules of the bylaws: Dr. Lale Yeprem (president), Dr. Antonio Teixeira (1st vice-president), Dr. Gabriel Mogos (2nd vice-president) and Dr. Maria Emília Serra (general secretary). With no further business to discuss, Dr. Antonio Teixeira closed the Extraordinary General Meeting.

As president of the WFOT and of the 8th WFOT Meeting, together with Dr. Lamberto Re, we have drawn up these minutes, which were read and approved.
